WHY DO EVENTS STILL FEEL DISCONNECTED?

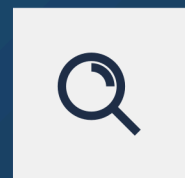

Hundreds of people. Few meaningful connections.

WHO?
Who should I meet?

WHEN?
Who is available?

HOW?
How do I start?

NEXORA

WHAT IF THE EVENT COULD FIND YOUR PEOPLE?

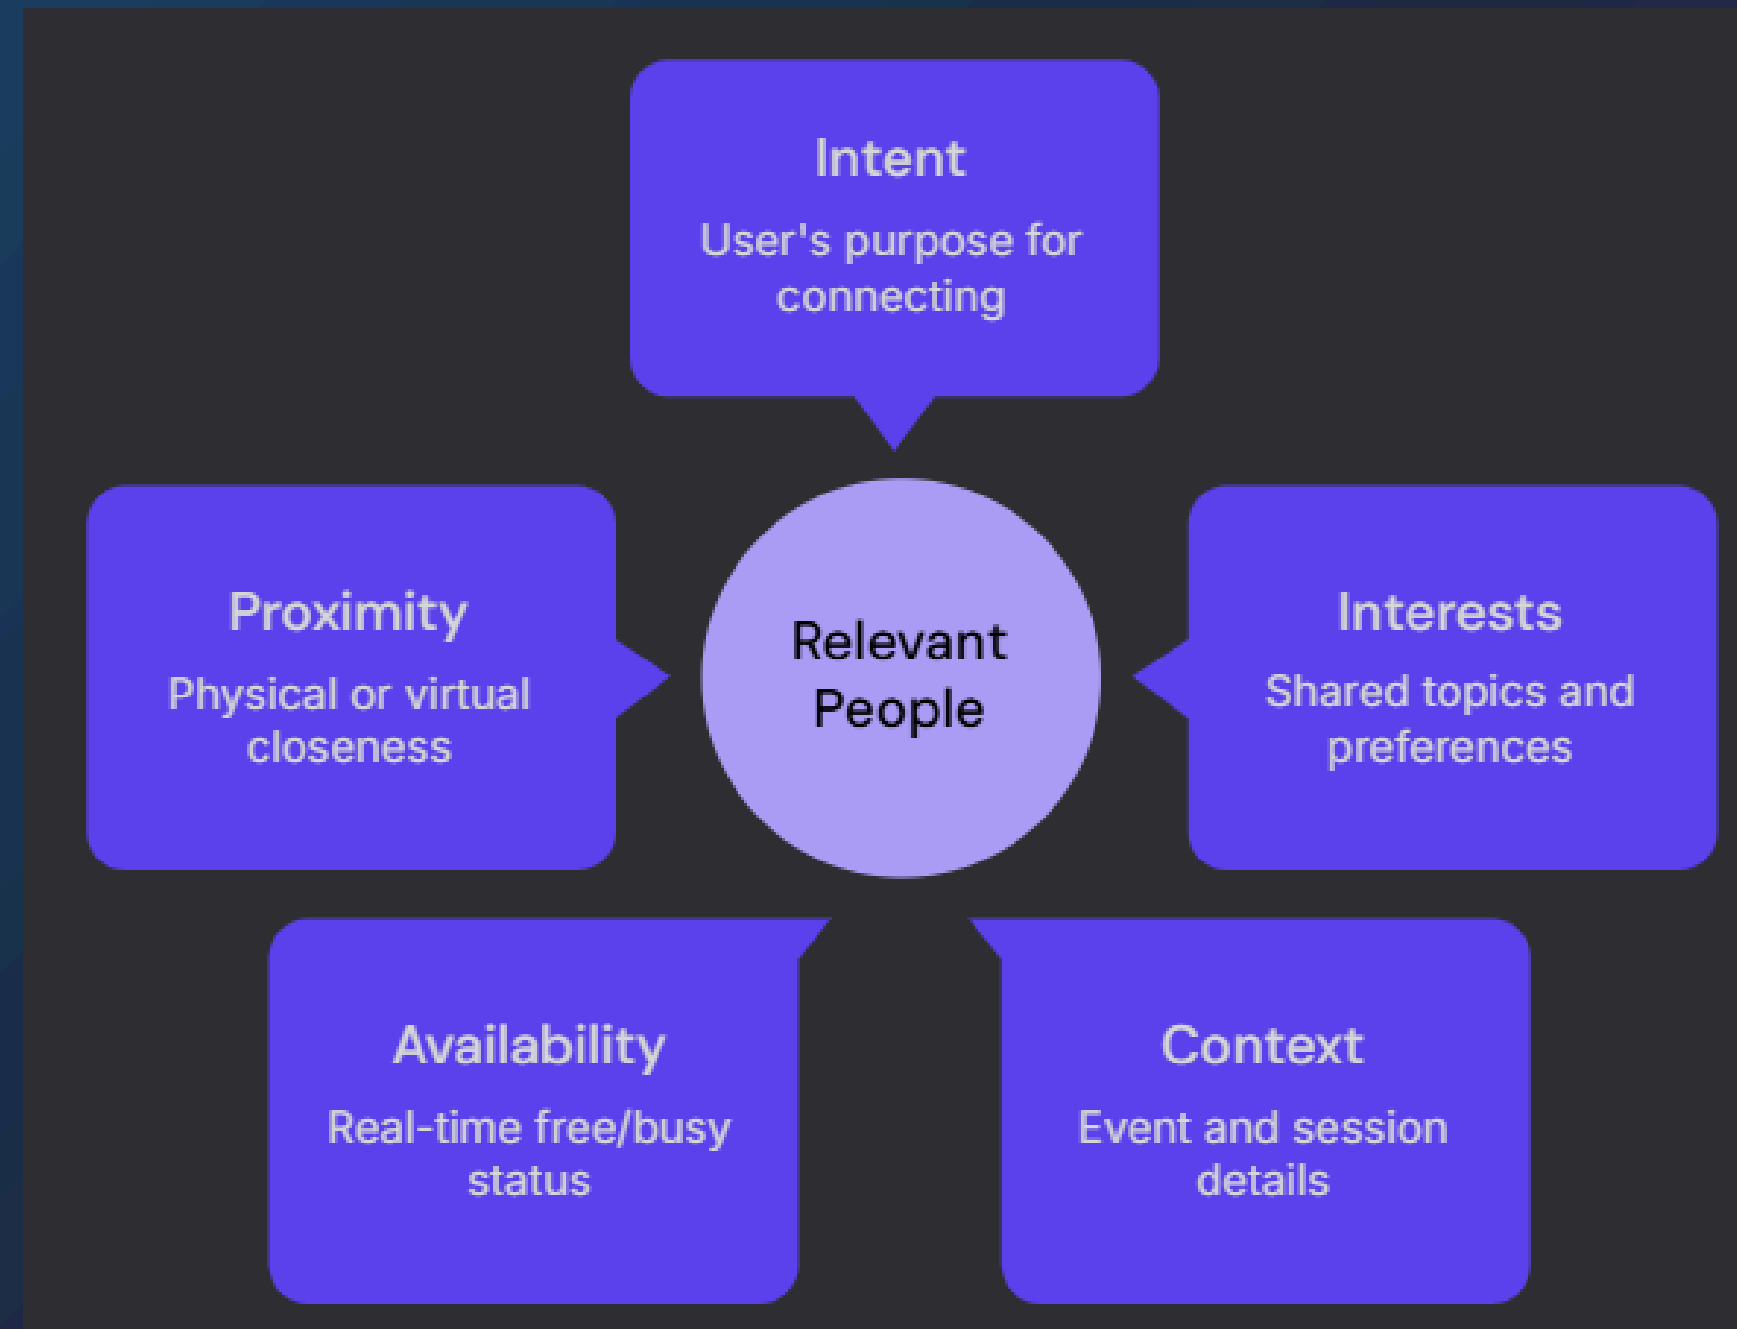

Intent → AI → People

The real-time networking layer for
every gathering.

#BuildWithNEXORA

HOW DOES NEXORA KNOW WHO YOU SHOULD MEET?

Five signals. One engine. The right person — right now.

WHAT POWERS NEXORA?

FRONTEND → BACKEND → AI → REAL-TIME
